Join the Excitement: Celebrate Hospitality's Future at HMEF's 2025 Scholarship Luncheon!

You're invited: Join Hospitality Minnesota Education Foundation for our annual [Scholarship Luncheon](#) on May 22, 2025, at the Sheraton Minneapolis Downtown Convention Center, from 11:00 AM to 1:00 PM.

- **Excitement is brewing:** We informed our scholarship recipients of their awards last week. Watch our social media channels over the next few weeks to learn all about these rising stars and join us on May 22 to honor them!

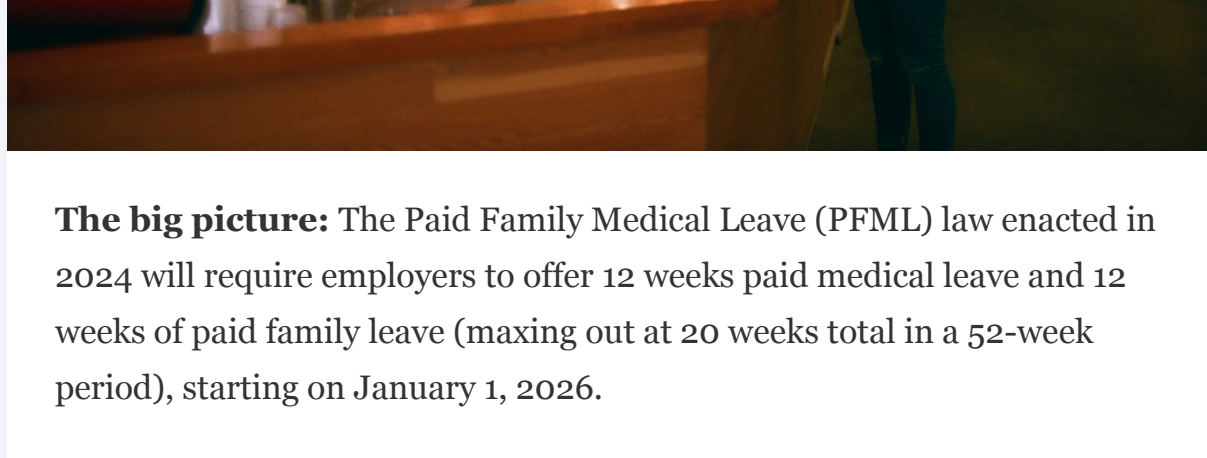

- **Did you know:** Since 2006, HMEF has awarded nearly \$1 MILLION to students pursuing careers in culinary arts and

hospitality management.

What to expect: This year is particularly exciting because in addition to hosting this event at the brand-new [Sheraton Downtown Minneapolis Convention Center](#), we have the honor of awarding the first-ever Sue Zelickson Scholarship to women pursuing careers in the food industry, courtesy of [Women Who Really Cook](#).

ACTION ALERT: Ask Electeds to Support Bipartisan PFML Modifications

The big picture: The Paid Family Medical Leave (PFML) law enacted in 2024 will require employers to offer 12 weeks paid medical leave and 12 weeks of paid family leave (maxing out at 20 weeks total in a 52-week period), starting on January 1, 2026.

- **The problem:** This program, with expansive definitions for family members, burdensome private plan requirements, and employer notice conditions will significantly impact the hospitality industry. The program will be paid for through a considerable increase in payroll taxes – now at .88%; the cost for which can be split between employers and employees.

Key update: Multiple bills have been introduced this session aimed at amending the PFML law to support small businesses and protect the business community from this harmful legislation. One key bill ([SE 3141](#)) has bipartisan support in the Senate, an indication these modifications have support across the state.

Our position: We support the modifications in this bill that would include modifying the definition of small employer to 15 or less employees, modifying the definition of a “family member”, capping the maximum amount of benefit weeks at 12, and capping the annual premium rate at 1%.

Act now: Contact your legislators immediately to support modifications to the PFML law.

Free Industry Training Resource: Online Hospitality Training Now Available

Did you know: Hospitality Minnesota and the University of Minnesota Extension's Tourism Center proudly offer a [free online hospitality and customer service training program](#)!

- **Some background:** Thanks to Hospitality Minnesota's advocacy, the Minnesota Legislature allocated funds to create free training through the University of Minnesota for all Minnesotans.

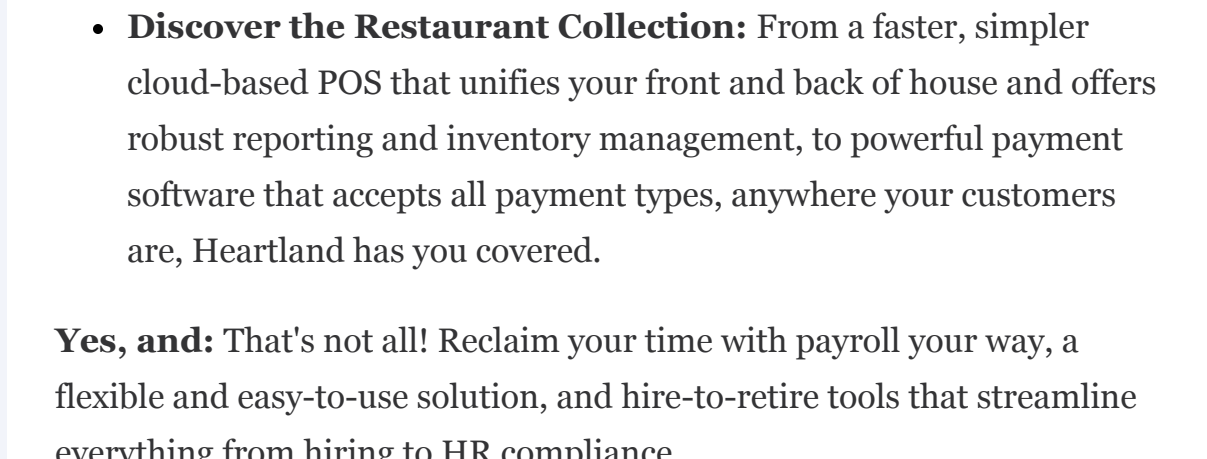

What to expect: The program offers foundational customer service skills development for all Minnesota residents.

- **Get started:** Per [MN Statutes Sec. 116Lo8](#), participants will answer a few questions and sign an equal opportunity statement before accessing the training.
